What is BASIC?

BASIC, Brothers And Sisters In Christ, is a program that is designed to focus on relationships of family, friends and faith. BASIC is not an activity or a youth night. BASIC is a family and every person is an important member. BASIC is a group to belong to. The vision of BASIC is to help create a group of teens who are committed to growing in faith and in their relationship to each other. Ultimately our goal: to help teens grow closer to God and each other!

What Happens at BASIC?

The main focus of any BASIC gathering is growing in faith and growing in friendship with fellow BASIC teens. Our nights consist of:

- A Gathering Time
- Prayer
- Games / Activities
- Interactive workshops
- Community
- A message, activity or teaching by peer ministers

Why is BASIC special:

It truly is your family. BASIC is run by 2 Youth Ministers who oversee a functioning core team of peer ministers. These peer ministers plan most BASIC nights and are committed to the family.
